WELCOME TO BLANKENBERGE

The Belgium Pier unarguably gives this city its typical look. This unique construction, with its 350 meters long walkway straight into the sea, ends in a monumental 'cake': an impressive circular building with a wide promenade. The view is spectacular!

Stroll along the quayside or comfortably settle down near the Paravang, the wonderfully beautiful belle époque wind screen at the marina. Shop till you drop, also on Sundays, or sip a cocktail in one of our many summer beach bars.

TIP

Main attractions

Visit SEA LIFE (seals & fish aquarium) or the Serpentarium (reptile zoo). Take a boat trip (Water-Taxi) or rent a jet scooter (Wavefun). Go surfing (O'Neill Beachclub) or take a ride on one of the 'crazy' bikes (Lustige Velodroom). Great for adults & kids!

City centre tour

Sauntering through the streets of the city centre, you are reminded of Blankenberge's glorious belle époque past almost everywhere. Visit the elegant Belle Epoque Centre or the old fisherman's house and experience history yourself.
